

An Accredited Institution of Higher Education
MALAMULO COLLEGE OF HEALTH SCIENCES
PRESS RELEASE

**CALL FOR APPLICATIONS FOR ADMISSION: ACADEMIC INTAKES FOR
2026 AND 2027**

Malamulo College of Health Sciences, a constituent campus of **Malawi Adventist University**, hereby invites applications from suitably qualified candidates seeking admission into various undergraduate medical and health science programs for the **October 2026** and **February 2027** academic sessions.

Interested applicants must satisfy the specific criteria below.

SECTION A: OCTOBER 2026 INTAKE – NURSING PROGRAMS

1. Bachelor of Science in Nursing and Midwifery (4-Year Minimum Duration)

- *Academic Prerequisites:* Applicants must possess a minimum of six (6) credits at the Malawi School Certificate of Education (MSCE) level or its equivalent. Compulsory credits must include English, Mathematics, Biology, and Physical Science (or separate credits in both Physics and Chemistry), alongside two additional subjects.

2. Diploma in Nursing and Midwifery

- *Academic Prerequisites:* Applicants must possess a minimum of four (4) credits at the MSCE level or its equivalent. Compulsory credits must include English, Biology, either Chemistry or Physics, and one other science subject.

Deadlines and Selectivity Procedures

- **Examination and Evaluation:** Shortlisted candidates for the *Bachelor of Science in Nursing and Midwifery* program are required to undergo a mandatory institutional interview on **26th October 2026**. Candidates who do not meet the interview threshold may be considered for redirection into alternative academic programs.
- **Submission Deadline:** The closing date for the receipt of all applications for this intake is **10th October 2026**.

- **Confirmation of Prior Admission:** Candidates who have previously been issued official letters of admission (Diploma program) or invitations to interview (Bachelor's program) are instructed not to re-apply. However, all such candidates must formally confirm their intent to enrol via email (admissions@mchs.adventist.org) or call (0888171394) no later than **30th September 2026**.
-

SECTION B: FEBRUARY 2027 INTAKE – HEALTH SCIENCES PROGRAMS

1. Bachelor of Science in Medical Laboratory Science

- *Academic Prerequisites:* Six (6) MSCE credits including English, Mathematics, Biology, and Physical Science (or credit in Chemistry and Physics plus two other subjects).

2. Bachelor of Science in Public Health

- *Academic Prerequisites:* Six (6) MSCE credits including English, Biology, Mathematics, and Physical Science (or credits in Physics or Chemistry).

3. Bachelor of Science in Public Health – Mature Entry (Upgrading Degree)

- *Academic Prerequisites:* Applicants must hold a Diploma in Public Health, Environmental Health, Community Health, or a related paramedic/health profession certificate from a nationally accredited tertiary institution. A minimum Cumulative Grade Point Average (GPA) of 2.5 on a 4.0 scale, or its institutional equivalent, is strictly required.

4. Diploma in Biomedical Science

- *Academic Prerequisites:* Six (6) MSCE credits including English Language, Mathematics, Biology, and Physical Science (or credit in Chemistry and at least a pass in Physics), plus two other subjects.

5. Diploma in Clinical Medicine

- *Academic Prerequisites:* Six (6) MSCE credits including English Language, Mathematics, Biology, and Physical Science (or credit in Chemistry and at least a pass in Physics), plus two other subjects.

Timelines

- **Submission Deadline:** The definitive closing date for the receipt of applications for the February 2027 intake is **30th November 2026**.
-
